Note: All underage competitions inclusive of Under 18 Colts are to comply with the above Rules and are unable to replace carded players until the relevant playing time has elapsed.

(Yellow Card = 15 minutes. Red Card = 20 minutes)

In all AFL Barwon Senior & Reserve matches only, any player receiving a yellow or red card may be replaced immediately. A player receiving a red card in any grade is to remain off the field for the remainder of the game. A player receiving a yellow card can return to the field after 15 minutes of playing time has elapsed.

- 5.1** Interchange bench numbers in all Senior Football Leagues are four (4), Reserves & Under 18s are five (5).
- 5.2** For all AFL Barwon competitions, Clubs shall be required to field a minimum of 14 players to commence the game. Failure to do so will result in their side forfeiting the match.
- 5.3** If any irregularities are noted on the Interchange sheet, the Commission shall have the power to determine a fine and to deal with the match as they deem appropriate.
- 5.4** It is the responsibility of the timekeepers to ensure that players ordered from the ground under a yellow card, remain off for fifteen minutes of actual playing time and those ordered from the ground under a red card remain off for the remainder of the game. All Clubs must have installed red and green lights for the purpose of acknowledgment of the umpires' carding decisions and the notification to the Clubs when the player (yellow card only) is eligible to return the playing field. The timekeepers must therefore:
- (a) identify the umpire's signal (a yellow or red card), which indicates a player has been ordered off;

- (b) acknowledge the umpire's decision by flashing the red light on and off or another signal by holding aloft the appropriate card;
- (c) record the relevant amount of actual playing time from the moment the player crosses the interchange area in the space provided on the timecards (failure to record the implementation of this rule on the timecards will result in a \$30 penalty); and
- (d) signal the conclusion of the fifteen-minute penalty by signalling through the use of the green light.

The interchange steward will continue to record the change as has been the case. The onus remains with the clubs to ensure that this procedure operates effectively.

- (e) any player ordered off under a red card is not permitted to take any further part in the game.
- 5.5** Clubs in breach of procedure: In the event a Club believes an opposition team has more than the permitted number on the field of play and/or a player has returned to the field early, the Team Captain must ask the officiating field umpire to call a team count to verify the number of players on the ground and the score at that particular time. The Umpire will record the result of the count on the Umpire's Match Report. Where a Team has more than the permitted number of players on the Playing Surface, the following shall apply:
- (a) The field umpire shall award a Free Kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, whichever is the greater penalty against the offending team.
 - (b) A Fifty (50) Metre Penalty shall then be imposed from the position where the Free Kick was awarded; and
 - (c) The Goal Umpires shall record the time and, write the current scores as at the time of the Head Count on their Score Card
 - (d) The matter will be referred to the League to investigate and ultimately determine the outcome as they see fit - note that the offending team does not lose all points scored in the Match up to the time of the count on matchday, but may have any score achieved in that quarter up to the time of the count removed pending the result of the league investigation.
- 5.6** Any player who is ordered off three times during the season in an underage game inclusive of Under 18 Colts games will receive an automatic suspension of one game in home and away or finals matches. A player who is ordered off for a fourth time during the current season will face the AFL Barwon Tribunal whose decision will be binding.

6. Extra Time in Finals

6.1 There shall be no drawn matches in any finals. In the event of scores being level at the elapsed time, the timekeepers are instructed to sound the siren. Coaches are permitted to address players at the end of the game whilst the Goal Umpires confer. Players must be in position to recommence the game prior to the goal umpires returning to their position.

6.2 On receiving confirmation that the scores are level, the match shall recommence with the teams kicking to the same end as in the final quarter and two five-minute periods with time on (as appropriate) shall be played with teams changing ends after the first five-minute period immediately the siren sounds. Coaches are not permitted to address players at any stage after the extra time period has commenced.

6.3 In the event of scores being level after the two five-minute periods the timekeepers are instructed to sound the siren to allow the goal umpires the opportunity to confirm scores. When confirmed, play will resume from the centre ball up and continue until the next score, at which time the siren will sound as soon as the goal umpire signals the score and receives the all clear from the Field umpire. Clubs will not change ends in this instance.

7. Interchange/Order Off

7.2 The number of players a team must play with in Senior Female matches is 20.

7.5 It is the responsibility of the timekeepers to ensure that players ordered from the ground under a yellow card, remain off for fifteen minutes of actual playing time and those ordered from the ground under a red card remain off for the remainder of the game. All Clubs must have installed red and green lights for the purpose of acknowledgment of the umpires' carding decisions and the notification to the Clubs when the player (yellow card only) is eligible to return the playing field. The timekeepers must therefore:

- Identify the umpire's signal (a yellow or red card), which indicates a player has been ordered off;
- Acknowledge the umpire's decision by flashing the red light on and off or other signal by holding aloft the appropriate card;
- Record the relevant amount of actual playing time from the moment the player crosses the interchange area in the space provided on the timecards (failure to record the implementation of the rule on the timecards will result in a \$30 penalty); and
- Signal the conclusion of the fifteen-minute penalty by signaling through the use of the green light. The interchange steward will continue to record the change as has been the case. The onus remains with the clubs to ensure that the procedure operates effectively.

NB: In the event of more than one player being off at any given time, the onus is on the Club to confer with the interchange steward/timekeepers to determine which player is eligible to come on.

Any player ordered off under a red card is not permitted to take any further part in the game

7.6 Clubs in breach of procedure: In the event a Club believes an opposition player has returned to the field early or the opposition is fielding more players than permitted, that Club's team Captain must call a team count to verify the number of players on the ground and the score at that particular time. The Umpire will record the result of the count on the Umpire's Match Report. Where a Team has more than the permitted number of players on the Playing Surface, the following shall apply:

- a field umpire shall award a Free Kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, whichever is the greater penalty against the offending team.
- a Fifty (50) Metre Penalty shall then be imposed from the position where the Free Kick was awarded; and
- The Goal Umpires shall write the current scores as at the time of the Head Count on their Score Card
- The matter will be referred to the League to investigate and ultimately determine the outcome as they see fit - note that the offending team does not lose all points scored in the Match up to the time of the count on matchday.

4. Coaches

All coaches of AFL Vic Country clubs are required to obtain or update Foundation Level Accreditation on Coach.AFL prior to the commencement of the season. All coaches must be able to be selected on the electronic version of the team sheet and cannot be 'written on'.

Coaches are to be seated in the Coaches' Box or if standing, stand directly in front of the Coaches' Box behind the marked white line positioned between the coach's box and the boundary line. Only team managers, trainers, water carriers and runners are allowed inside the playing arena. It is the responsibility of the club to ensure that all spectators are behind the boundary fence. All coaches are to have read the 'Junior Coaches' Code of Conduct' at the back of this handbook prior to the season commencing.

Fine: Any coach who coaches without being registered for the 2025 (current) season will be fined \$100 per match and the team will receive loss of match points and percentage for the matches won by the team whilst the unaccredited coach continues to coach. Match points will only be lost if that competition plays for match points (Grading matches included).

5. Umpires

Every attempt will be made to provide Appointed AFL Barwon Field Umpire/s for Under 14, 16 & 18 male and Under 14, 16 & 1918 female games. The home club is to notify the league where appointed AFL Barwon umpire/s have not attended for Under 14, 16, 18 Male & 14, Under 14, 16 & 1918 Female games.

Where clubs are required to provide umpires, please note the following:

- Ensure that two escorts are provided for the umpires (one from each competing club) at half and full time. The club runners are to perform this important function as they are clearly identified, and they must escort the umpires to their rooms unless instructed otherwise by the umpires.
- Where the club is the home club, offer umpires cool drinks between each quarter.
- Remain in the centre of the ground with the umpires during quarter time and three-quarter time breaks;
- All club Field and Goal Umpires must be a senior and mature person and be wearing appropriate attire. (i.e. AFL Barwon Junior Football umpire's top and White Goal Umpires Coat). Both the home and away teams must each supply 1 Field Umpire.
- In the event there is only 1 appointed AFL Barwon Field Umpire the home club is expected to supply a second Club field umpire.

Umpires will be instructed to check players, runners and trainers in all grades to ensure that they are not wearing rings or jewellery that could be regarded as a danger to other participants. Plaster casts and injury protection type equipment will have to pass the umpire's inspection before being passed for use. Clubs should seek approval from AFL Barwon prior to this and present this proof to the field umpire prior to the game commencing, the field umpire will have final authority keeping in mind of player safety in all instances.

Ensure that all people within the playing area are authorized to be there. These must be included on the team sheet. It will be within the authority of any official of the AFL Barwon Football Umpires Department to order anyone off the ground who is not clearly identified. This includes players, trainers, runners, water carriers and medical staff.

Umpires have been instructed that no game is to commence without a stretcher provided in or near the coach's box.

Separate change rooms and shower facilities for the umpires are preferable.

AFL Barwon - Coaching Box White Card Policy

Where a field umpire(s) hears or observes any unacceptable behaviour emanating from the Coaching Box, a three-phase system, as summarised in Table 2, will be undertaken by the Field Umpire(s) via the use of white and red cards to stop such behaviours in 'real time'.

Table 2 – Three Phase System

Phase	Action Overview
Phase 1	Play immediately stopped. A free kick awarded against the offending team. A first warning (white card) shown to the offending team's Coach
Phase 2	Play immediately stopped. A free kick and 50m penalty awarded against the offending team. A second warning (white card) shown to the offending team's Coach
Phase 3	Play immediately stopped. A free kick and 100m penalty awarded against the offending team and a RED Card (ejection from Match) issued to the Coach.

6. Number of Players

There is a maximum of 23 players allowed to be on the team sheet for Under 12, 14 & 16 male and Under 14, 16 & 1918 female games. The maximum of 23 players allowed to be on the team sheet does not differ for finals.

There is no maximum number of players for Under 9's, 10's, and Under 10 & 12's female. AFL Barwon does strongly suggest that clubs have a due diligence to the children in ensuring they are all given similar playing time.

The minimum number of players allowable is fourteen (14) to constitute a game in Under 12, 14 & 16 male and Under 14, 16 & 1918 female age groups. If a team has less than 14 players in these age groups, then that team shall forfeit the game. Game points will be awarded to the opposition team. Under agreement from both coaches, it is acceptable that the teams stage a 'no-play for points' game.

All competitive female junior age groups (U14, U16 & U1918) are deemed to be a 16 per side competition with a maximum of 23 players and a minimum of 14 players. If either side has less than 16, both teams must comply with the loaning of players as stated below. If both sides have 20 or more players on the day, then both teams will play with 18 players on the field.

If both teams start with 16 on the field and one team is reduced to 15 players on the field due to player injury, illness or extraordinary circumstances, the other team is not required

to also play with only 15 players on the field.

In Under 9's, 10's, and Under 10 & 12's female the minimum number of players allowable to constitute a game is 12. However, under an agreement from both coaches, it is acceptable that the teams stage a "game with no scores".

Where a team has the minimum number of players to start a match but not a full team (excluding bench), the team with the numerical advantage must either "loan" players to the opposition or play with an equal number of players on the field unless:

- A loan is offered but after evening up numbers there are still excess players in which case the team with the numerical advantage can play with one extra player; or
- The team with the numerical advantage only has one extra player than the opposition in which case the team with the numerical advantage can play with that extra player; or
- The team with minimum numbers refuses to accept "loan" players in which case the team with the numerical advantage can play at full strength.
- Team Managers and Umpires are required to sign off on player numbers on the competition match report prior to the match commencing
- Loaned players must appear on the team sheet of the team for which they are playing. A matchday permit should be approved to allow them to be selected on the Play HQ team sheet.
- Loaning of players is not permitted in any finals game.

Note: the following variation to AFL Vic Country Rule 12.2

If after the game the reporting umpire doesn't indicate on the player report sheet that the offence warrants a tribunal hearing, the offending player can choose to accept the prescribed penalty by signing the player report sheet in the space provided. He can also delay this decision until noon the first working day following the incident at the latest.

The AFL Barwon Operations Manager, reporting umpire, the offending player and the offended player's club secretary all have until noon the first working day following the incident to confirm that they wish the matter to be heard by a tribunal. If one party initially chooses the set sanction, they can change their decision within the time frame.

Once one of the above parties indicates the matter should be heard at tribunal, the set sanction will not be an option. If there is no official indication within the designated timeframe that a tribunal is required, the relevant set sanction will be applied.

Notification must be made to the Tribunal Secretary or nominated representative. Clubs wishing to change venue and/or starting times shall forward their request to the AFL Barwon Head of Operations (e - michael@afllbarwon.com.au m - 0438 416 774) by the Monday prior to the fixtured game following agreement established with the opposition team. During the grading period, clubs have 24 hours from the release time of the fixture to request a change of venue and/or starting times for that round.

AFL Barwon will communicate with AFL Barwon Umpiring Department and confirm the outcome with the club that forwarded the request. Venues and start times of four game fixtures cannot be altered.

They must also only attend a maximum of three players at any one time on entering the field. Umpires have been instructed to send off any officials not correctly attired.

Water Carriers found to be coaching on the field will be sent from the field, repeat occurrences may result in the water carrier being sent from the ground for the remainder of the game and may be reported for misconduct and cannot be replaced. **Field umpires may award free kicks against water carriers if in their opinion are coaching or**

interfering in the game, this includes not following the direction of an umpire at any time during the game as per Laws of Australian Football.

20. Interchange Steward

The home club is to provide an interchange steward for the entire game. Paperwork is to be provided by home club. The responsibilities of the interchange steward are outlined in AFL Laws of the Game Rule 7. The Interchange Steward will record the jumper numbers of players who commence on the interchange bench at the commencement of each quarter. It is the responsibility of team managers from both competing Clubs to notify the appointed Interchange Steward of the jumper numbers of players on the interchange bench at the commencement of the game and then at the end of each quarter break. There is no requirement for an interchange steward in Under 9's, Under 10's, Under 12's or Under 12 females.

21. Timekeepers

The timekeeper must record starting and finishing times of quarters on the scorecards. They must also record times of players being sent off the ground (on departure and re-entry to the ground). Time clocks should only be stopped when the stretcher enters the playing arena, a head count is taking place, blood rule or a player has been sent off. Scorecards must also correspond.

22. Goal Umpire

The Goal Umpire must be a minimum of 12 years old, be attired in a white coat or approved AFL Barwon umpiring uniform and must have flags.

23. Out of Bounds / Boundary Umpire

In all AFL Barwon Junior competitions, the following "Last Possession" rule will apply.

A free kick shall be awarded against a player who:

- Kicks or Handballs the football over the Boundary Line without the football being touched by another Player;
- For the purposes of defining a kick, a kick shall be an intentional action, not accidental. When the ball comes off the foot or lower leg of a player without the intent of the player being to kick the ball, it will be deemed accidental contact and will not be determined as a kick by the umpire and therefore will result in a ball-up 15 metres in from the boundary.
- Where a Player who does not have possession stops the football being touched by an Opposition Player by Shepherding the ball across the Boundary Line where the ball could have otherwise been touched by the player being blocked, then the umpire will not award a free kick but will instead order a ball-up 15 metres in from the boundary.

In junior home and away from time to time and junior finals matches, AFL Barwon boundary umpires may/will be supplied, however, the season practice will remain in place.

24. Advantage

Advantage is to be called in all Under 14, 16 & 18 male and Under 14, 16 & 1918 female games. Where the field Umpire intends to or has signaled that they intend to award a Free Kick to a Player, the field Umpire may, instead of awarding the Free Kick, allow play to

continue if a Player of the Team who receives the Free Kick elects to take the advantage.
Advantage is not to be paid in Under 9, 10, 12 Male/Mixed & Female Football Competitions.

25. Eligibility for Home & Away Games

Multiple Teams in the same Age Group

1. In AFL Barwon Junior Football a player can only play ONE game in a particular age group per weekend (including Friday night).

A player cannot play in both a non-competitive mixed and female competition game in the same weekend (i.e. A participant cannot play in an Under 12 Mixed game and an Under 12 Female game in the same weekend).

Where clubs have multiple teams entered in the same age group, a player may be selected for a home & away game in their lower graded team only if they have played 8 or less games in the higher graded team during the current season (inclusive of grading matches).

Further, where a club has more than 2 teams entered in the same age group, a player may only be selected to play in their next lower graded team.

e.g. A club with 3 teams entered in an age group Div 1, Div 3 & Div 5, a player who most recently played in Div 1 can only play the next round in Div 3, but not Div 5.

26. Eligibility for Finals

1. A player must play at least three AFL Barwon Junior Football games in a particular age group with his or her club to play in a finals game in that age group.
2. For the purpose of eligibility to play with a particular team in AFL Barwon Junior Football Finals, a player who has played in a higher grade/division must play at least eight six (6) games in lower grades/age groups to be eligible to play in finals with a lower graded team.
3. Furthermore, any player who has played more than half the season with a higher grade or division is ineligible to play in the lesser grade of AFL Barwon Junior Football finals.
4. Should a player qualify to represent more than one team, AFL Barwon Junior Football has clarified that players may only play in one final on the same weekend, regardless of division, gender of competition and/or age group.
5. To be eligible to play in a particular team during the finals series a player must meet the requirements of 26.1, 26.2 and 26.3. Regardless of the participation in finals of any other teams from their club on that weekend.
6. For further clarification, eligibility for finals is determined by the number of games played during the home & away season, inclusive of grading games.

Higher grade/division definition: Any match played in a higher graded division or older age group or a representative competition will be deemed as a higher grade/division match and the player will need to meet the eligibility criteria outlined in the above Eligibility for Season/ Finals to be eligible for the lower grade/division during finals.

Fine \$100.00 and loss of match points.

27. Extra Time in Finals

1. There will be no drawn games in any finals. In the case of equal scores at the end of scheduled time, the teams will play two (2) five (5) minute periods. The match will recommence with the team kicking to the same end as they were in the last scheduled quarter, with an immediate change of ends at the conclusion of the first extra time period.
2. Coaches are permitted to address players at the conclusion of the fourth quarter. Players must be in position to recommence the game prior to the goal umpires returning to their position.
3. In the event of scores still being tied at the conclusion of these periods of extra time once confirmed by the goal umpires, play will recommence (without change of ends) and the team to score first will be the winner.

1. Conditions of Registration

1.1. Player Eligibility Criteria

AFL Barwon has developed two levels of Player Eligibility for AFL Barwon All Abilities Competition. The two levels of Player Eligibility will be designated ELIGIBLE (E) and ALLOWED (A), based on the requirements for participation at the National Inclusion Carnival.

These changes do not affect the minimum requirements for participation within the League, as the existing criteria is still in place. Furthermore, the opportunity exists for Players to seek an EXEMPTION (X). These changes will allow AFL Barwon to have a better understanding of the nature of the participants involved, streamline data collection and classification more broadly, and ensure that a safe, welcoming, and inclusive environment for all suitable participants is provided.

- a) A Player will be deemed as ELIGIBLE (E), for the purposes of participation in AFL Barwon All Abilities if:
 - i. the participant meets the Sport Inclusion Australia (SIA, formerly AUSRAPID) classification, or can provide evidence of this classification in the past.
- All new Players are encouraged to seek SIA classification upon registration.
- b) A Player will be classified as ALLOWED (A) for the purposes of participation in the AFL Barwon All Abilities Football Competition, if:
 - ii. the participant is declined for a SIA classification, and upon reviewing the evidence provided, AFL Barwon determines the Player meets two (2) of the existing AFL Barwon All Abilities Football Competition Player eligibility requirements:
- Attendance at a Specialist School.
- Attendance at a Mainstream School with funded Educational Support under the category of Intellectual Disability in the Program for Students with Disabilities (PSD) or similar.
- Proof of Disability Support Pension or NDIS registration under the category of Intellectual Disability.
- Registration with a Disability Service Provider under the category of Intellectual Disability.
- c) A Club may seek an EXEMPTION (X) for a Player where a participant does not meet the above eligibility requirements but believes AFL Barwon All Abilities Football Competition provides the most appropriate opportunity for them to participate in a suitable football program.

AFL Barwon may request that the Player provide additional information, or be observed in participation, to determine if the Player is to be granted an AFL Barwon All Abilities Football Competition Player Exemption to participate. This exemption may only be granted because of:

- Disability and/or impairments restricting participation in other community football programs.
- Please Note: the AFL Barwon All Abilities Football Competition Player Exemption may be revoked if AFL Barwon believes the Player's ability and/or behaviour is not appropriate to participate within AFL Barwon All Abilities Football Competition. For more information on submitting an AFL Barwon Player Exemption Form, please contact the AFL Barwon Management to discuss.

All Clubs will be provided with a list of any Players who do not meet the requirements but are granted an EXEMPTION (X) to play by AFL Barwon.

*Players over 40 years of age are required annually to submit a letter from their doctor (Medical Clearance) stating that they are fit to play in the AFL Barwon All Abilities Football Competitions. Players over the age of 40 years are INELIGIBLE TO PLAY in the AFL Barwon All Abilities Competitions until such time as their annual Medical Clearance has been submitted to the AFL Barwon.

1.2. Player Bound by Rules, Regulations and Policies of the Club, the League and AFL Victoria

By registering to a Club within AFL Barwon, the Player:

- Agrees that they will comply with and observe the AFL National Member Protection Policy, the Rules, Regulations and Policies of the Club, the League and AFL Victoria as they are presently constituted and as amended from time to time.
- Acknowledges that they may, with advanced notice, inspect copies of the Rules, Regulations and Policies of the Club, the League or AFL Victoria during normal business hours at the respective offices of those organisations.
- Acknowledges that their failure to adhere to the Rules, Regulations and Policies of either the Club, the League or AFL Victoria may result in them being de-registered and/or the imposition of other sanctions.
- Acknowledges that they may, upon request of the Club, League or AFL Victoria, be required to provide proof of age or disability, within 5 working days of the request.

1.3. Assumption of Risk

By registering to a Club within AFL Barwon, the Player acknowledges and agrees that:

- Australian Football is a vigorous body contact sport in which physical injury may occur from time to time.
- They are none-the-less desirous of playing Australian Football for the Club.
- They take upon themselves the risk (both physical and legal) of injury arising while training or participating in the game of Australian Football.

2. Fixturing

AFL Barwon shall be responsible for the determination of the fixturing of Matches. "Clubs desiring to conduct All Abilities league matches on a day or time other than that published by the league in the official fixture may do so providing the following requirements have been satisfied that;

- both participating clubs agree with the details of the proposed alteration;
- 14 days' notice in writing requesting approval from the League that the fixture be altered is forwarded to the League office from each club"

3. Football Requirements

It is the responsibility of the host Club to provide one appropriately sized, game ball, new or in good condition - AFL Barwon-approved branded Size 5 synthetic Football.

4. Number of Players Needed to Start Match

The minimum number of players required to commence the game is 12 players. If a team has less than 12 players in these age groups, then that team shall forfeit the game. Game points will be awarded to the opposition team. Under agreement from both coaches, it is acceptable that the teams stage a 'no-play for points' game.

A reduced ground will be utilised if there are 14 or less players per side. The field size would reduce to ¾ of the playing surface (suggested 120m Length x 80m Width).

If both teams have 15 or more players, the full ground will be utilised. A maximum of 18 players per side can be on the field at any one time.

Regardless of how many Players each Team has available on Match Day, Teams are required to play with equal numbers, irrespective of Players' skills or ability (e.g., 13 v 13, 16 v 16). Coaches should meet prior to the start of the game to discuss their Player numbers and agree on the number of Players to take the field. Player numbers may be increased if mutually agreed, should additional Players become available.

Where a team has the minimum number of players to start a match but not a full team (excluding bench), a "loan" of players from the team with the numerical advantage may be facilitated. Teams must play with an equal number of players on the field.

Where a team has the minimum number of players to start a match but not a full team (excluding bench), the team with the numerical advantage must either "loan" players to the opposition or play with an equal number of players on the field unless:

- A loan is offered but after evening up numbers there are still excess players in which case the team with the numerical advantage can play with one extra player; or
- The team with the numerical advantage only has one extra player than the opposition in which case the team with the numerical advantage can play with that extra player; or
- The team with minimum numbers refuses to accept "loan" players in which case the team with the numerical advantage can play at full strength.
- Team Managers and Umpires are required to sign off on player numbers on the competition match report prior to the match commencing

There are no restrictions to how many Players can be on the bench.

If there are INJURIES to Players where there is no replacement possible to maintain even numbers, the number of Players on the opposition Team shall be reduced accordingly. Where a player leaves the ground for assessment by First Aid personnel, the opposing team shall not be required to reduce their playing numbers until the decision is made that the injured player cannot continue in the match. Players permanently ruled out of the match because of injury shall not then resume playing in the match. It is incumbent on the Coach of the team with permanently reduced numbers because of injury, to inform the Coach of the opposing team, as soon as practicable, of the situation, and the current numbers available. Failure to do so shall not create precedence for an appeal against the result, nor incur a penalty for the team with greater numbers on the field.

See also Special Rule 5 ix. and Rule 14. Injuries.

5. Length of Games

All Matches within AFL Barwon All Abilities Football Competition will be played with NO TIME ON.

- A Match will consist of four (4), 15-minute quarters

Intervals

- ¼ time = 5 minutes
- ½ time = 10 minutes
- ¾ time = 5 minutes

TIME OFF will only be implemented should the stretcher or Ambulance be called on the field. In the case of possible severe injury, at the Umpire's discretion, the Umpire may halt play and call for TIME OFF to be implemented, after 5 minutes prior to injury assessment being made by an accredited First Aid provider

6. Special Rules

i. Centre Ball Ups

A Player may not take full possession of the ball at a ball up. The ball must go to another Player or touch the ground before the Player winning the knockout can take possession of the ball.

ii. Field Ball Ups

As with the centre ball ups, a Player may not take full possession of the ball at a ball up. The ball must go to another Player or touch the ground before the Player winning the knockout can take possession of the ball.

iii. Out of Bounds

Should the ball go out of bounds, the Umpire will award a free kick against the Team who had last possession of the ball (Kick or Handball) immediately before it crossed the boundary line. The free kick shall be taken at the point where the ball crossed the boundary line. If the Umpire is unable to determine which Team had possession of the ball last, the Umpire will bring the ball in Fifteen (15) metres in from the boundary line and throw the ball up. For the last touch by hand, the Umpire will bring the ball in Five (5) metres in from the boundary line and throw the ball up.

iv. Marking

A mark is to be paid to a Player who marks the ball from a kick, provided that the kick has travelled at least Fifteen (15) metres and has not been touched in transit.

v. Bouncing the Ball

A Player in possession may bounce the ball a maximum of Two (2) times and then must make a genuine attempt to dispose either by hand or by foot. For the purposes of this law, a Player shall be deemed to be in possession of the football during the period when the Player handballs the football to themselves and regains possession without the football touching the ground or another Player. Similarly, for the purposes of this law, a Player shall be deemed to be in possession of the football during the period when the Player completes a solo (the Gaelic skill where the Player kicks the ball to themselves).

vi. 25 Metre Penalty

In all Conferences, a 25-metre penalty may be applied in addition to a free kick, at the Umpire's discretion.

vii. Mercy Rule (Spirit of the Game)

This means that, at any time in the match, should a Team reach a lead equal to or greater than the set margin (30 Points), the Mercy Rule is activated. In practice, this means that,

when the set Mercy Rule margin has been reached, if the Team leading the Match scores a point, the trailing Team will take the kick out from the defensive edge (back) of the centre square. If the Team leading the Match scores a goal, the trailing Team will take possession of the ball in the offensive edge (front) of the centre square, not requiring a ball up to restart play.

Note: If the trailing Team brings the margin back under the set margin, the Mercy Rule is deactivated, and rules will revert to normal.

Note: Where a Coach does not take reasonable steps to minimise winning margins more than the Mercy Rule, the offending Club may be subject to sanctions for "bringing the game into disrepute."

Starting Positions

When the Mercy Rule comes into effect during a game, the Team leading the Match shall have not more than one third of their Players inside their defensive 50-meter arc, not more than one third of their Players inside or adjacent to the centre square, and not more than one third of their Players in their forward 50-meter arc. (See diagram 2, right). At least one Player from each Team shall be positioned within both Goal Squares. The Team trailing in the Match shall not have any restrictions on their Starting Positions.

For the removal of doubt, see the table below:

16.3 First Aid

- 16.3.1** Clubs shall be responsible for their own first aid through the home and away season and finals.

16.3.2 Clubs are to have ice available courtside.

16.4 Playing area safety checklist

- 16.4.1** Checklist to be completed before any games played. There may be a need to review this checklist throughout the day – e.g. inclement weather.

16.4.2 If after the review has taken place, a category has the answer "NO", then actions should be taken to fix the problem before any matches begin.

16.4.3 Any matters concerning court surface, goal posts or weather should be referred immediately to the AFL Barwon netball manager.

16.5 A copy of completed match day checklist must be submitted in the match day paperwork envelope.

16.6 A copy of the match day checklist can be found on the AFL Barwon website. (www.aflbarwon.com.au) or electronically through the Safe Netball App.

16.7 Heat Policy

In the event of extreme weather conditions above 28 degrees, the following steps must be taken:

- 16.7.1** All quarters will be reduced and breaks extended by the following:

Saturday 11, 13, 15 & 17 & Under Matches:

7-minute quarters

3 minute $\frac{1}{4}$ & $\frac{3}{4}$ Breaks, 5 minute $\frac{1}{2}$ Break.

16.7.3 In the event of weather conditions of over 35 degrees it will be up to the discretion of the two clubs and umpires as to whether games will go ahead.

16.7.4 Clubs will be emailed on the Friday to advise if the above changes will be put in place on the weekend's matches. It is up to the clubs to inform both club umpires of these changes on match day. AFL Barwon will notify Panel Umpires of any changes. Clubs will be emailed on the Friday/Tuesday for AFL Barwon Junior Netball matches of over 35 degrees at 3:30pm the decision will be made by AFL Barwon to cancel the matches.

16.8 30/30 Lightning Safety Guideline

Stop play if the time between seeing a lightning flash and hearing thunder is less than 30 seconds. Immediately seek safety under appropriate shelter. Do not resume play until at least 30 minutes has passed since the last thunder was heard.

When should activities be stopped? The '30/30' rule is not an absolute rule. A storm may move very quickly, or not generate any lightning or thunder until it is very close or topographical or wind conditions may prevent sound from travelling to your position. These conditions are especially common in hilly areas. It is important that match officials observe weather conditions and be alert to the possibility of the above occurring.

- If you see lightning
- If you hear thunder
- If the skies look threatening

Stop the activity immediately and get to a safe place immediately.

16.9 Photography/Video Footage

No photographs or video footage is to be taken at matches without written consent of the opposing team manager or coach. Clubs will be given a list of teams within the league that may not be photographed under any circumstances.

17. Dispute Resolution

- 17.1** AFL Barwon will impose the prescribed penalty or any other penalty to any member/ team that fails to adhere to these Bylaws. AFL Barwon as the governing body have the authority to identify breaches and enforce the by-law penalties to ensure the integrity of the competition is maintained at all times. A team wishing to protest a scoring issue must:

17.1.1 Not sign the Official scoresheet; but mark it with notice of intention to protest - then notify AFL Barwon Netball Manager of the protest.

17.1.2 Lodge the protest in writing with the AFL Barwon Netball Manager within 48 hours of the match being played / finished.

17.1.3 AFL Barwon will then discuss the issue with the relevant Club or Teams and make a decision regarding the matter. AFL Barwon shall inform the party/ies involved of their decision either verbally or in writing; or

17.1.4 Have an informal meeting with the relevant party/ies in order to discuss and resolve the dispute.

17.1.5 AFL Barwon's decision on all By-law breaches is final and cannot be appealed.

Any member of a Club or Team who does not agree with a penalty imposed by AFL Barwon for breaches of Netball Victoria/Australia codes of conduct, policies & regulations, may appeal through the AFL Barwon Appeals Officer (Region General Manager) as per the process stipulated in the by-laws.

- The appeal must be accompanied by a \$250 cheque of which \$150 will be returned to the Club if the appeal is upheld.
- Up to \$150 will be returned to the Club if the appeal is dismissed. (At the discretion of the Appeals Board)
- Up to \$150 will be returned to the Club if the appeal is not heard. (At the discretion of the Appeals Board)

18. Special Circumstances

Where a by-law or competition regulation is silent, a decision can be made that ensures the integrity of AFL Barwon Netball Competitions is maintained at all times. An appropriate penalty may also be enforced.

The appeals committee may, in using its reasonable discretion, in exceptional or extenuating circumstances, alter, vary or waive the requirements set out in these competition regulations relating to AFL Barwon.

19. Indemnity

Except where provided or required by law and such cannot be excluded, AFL Barwon and its representative directors, officers, members, servants or agents are absolved from all liability however arising from injury or damage, however caused, arising whilst participating as a member.
