WEEKEND ROUND UPS!!!!

Senior Mens Football

Round 7 vs South Barwon

Our Reserves side, although undermanned, showed great determination and fought hard all day. Huge credit to the boys for their grit and resilience.

In the Senior game, fans were treated to an exciting, high-scoring contest. Trailing by 15 points halfway through the last, we pushed hard but couldn't quite close the gap. A strong effort from the group in what was a great display of local footy.

Round 8 vs Bell Park

A disappointing weekend across both grades. Both teams struggled to match the consistent intensity and effort we've shown throughout the season. Plenty to learn and build from heading into next week. Let's reset, regroup, and come back stronger.

Under 18s

The Under 18s have put in two great showings in recent weeks and are sitting 3rd on the ladder. They have been putting together some fantastic team performances and playing great football, with a forfeit from Drysdale, our Under 18s used the weekend for a solid Saturday training session. They bounced back last week with a strong 29-point win over Geelong West Giants.

Best Players: Will Corry, Josh Hobbs, Harper Dunn, Darcy Storrar, Ethan Hobs, Luke Wilcox.

Senior Netball

Last weekend we welcomed two new players to the A Grade fold with Summer Field and Mia Henriksen. Summer comes to the St Albans line up with a basketball and netball background, bringing the height and the competitiveness needed. Mia has been pushing for selection for some time, as a St Albans junior and with her family pedigree, she displays excellent positioning and the netball smarts. Both girls are wonderful additions to the goal end.

Whilst we have not been getting the results on the boards we want, it is pleasing and rewarding to see our players sticking together, building on their leadership and determination as we continue to support and rally behind them.

Senior Womens Football

We're excited to announce the beginning of a bold new chapter as St Albans Football & Netball Club and Thomson Football Netball Club unite to form a combined Division 2 team for the 2025 season.

A huge thank you to Brian, Cindy, and the entire Thomson team for their dedication, collaboration, and hard work in bringing this joint venture to life. Your efforts have laid the foundation for what promises to be an exciting future.

The newly formed St Albans/Thomson side took to the field for their first official match under lights at St Albans Reserve on Saturday night. While the scoreboard didn't fall in our favour, what shone through was the team's grit, determination, and resilience across all four quarters—a promising sign of what's to come.

We can't wait to watch this team grow together, build momentum, and become a formidable force in the competition. Here's to the start of something great!

Will Bown Debut

St Albans Football & Netball Club proudly celebrates the senior debut of Will Bown, who played his first senior game at Hamlyn Park against Bell Park on Saturday, 14th June.

Will isn't just making his mark on the field—he's continuing a proud family legacy. The son of club great Nat Bown, grandson of the legendary Billy Allthorpe, and great-grandson of Jim Allthorpe, Will represents the fourth generation of football excellence at our club.

Senior Coach Rick praised Will's hard work and consistency, stating:

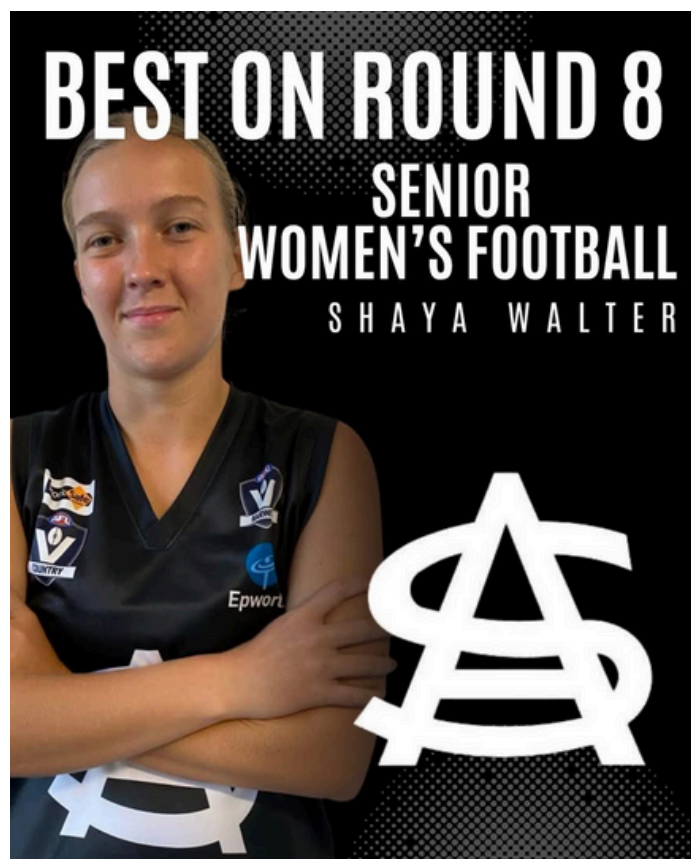

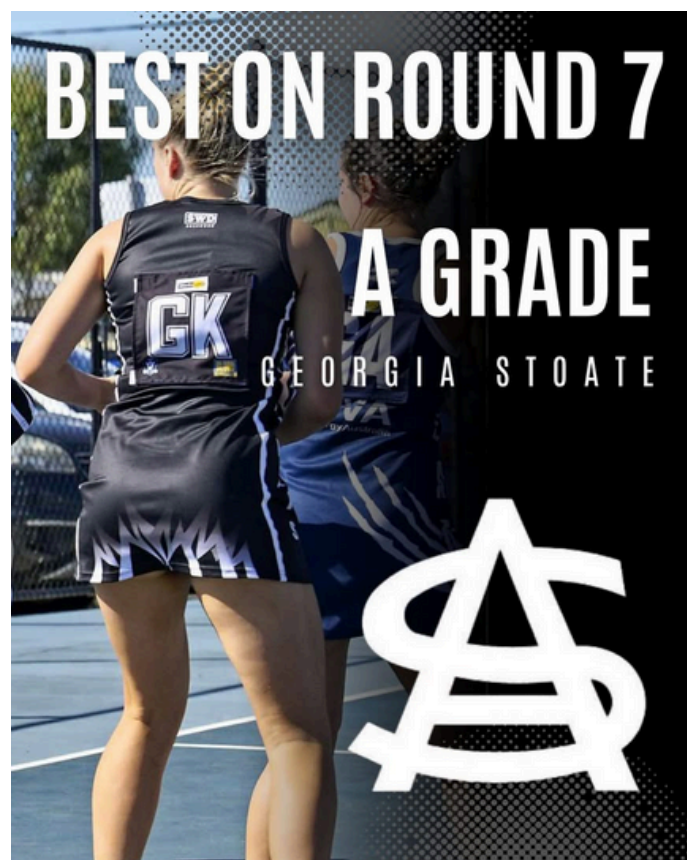

"He really earned it—he's been in the best six out of the last seven games."

Well done, Will! We're incredibly proud and confident that this is only the beginning of a long and successful journey in the black and white.

Mick Thompson Memorial Cup

This weekend, we take on Leopold Football & Netball Club in a special match for the Mick Thompson Memorial Cup.

Mick Thompson was a much-loved and highly respected figure at both St Albans and Leopold. He won numerous Best & Fairest awards at both clubs and was proudly named in the Team of the Century for each.

Mick coached Leopold from 1985 to 1988 and capped off an incredible playing career as a premiership player in 1990. Even after his coaching and playing days, Mick continued to support both clubs right up until his untimely passing in 2010.

This weekend, we honour Mick's legacy and the strong bond between our two clubs. We look forward to a great game played in the spirit Mick would have loved.

Let's bring it home. ❤️❤️

PATRON SAINT

We all need to ensure the STAFNC is strong and successful in every way. Taking the advantage of the end of financial year (EOFY June30) by reducing your taxable income, is a generous way to break down the financial barriers of your Club to ensure everyone and every team reaches their full potential. This season we launched the **Patron Saint** - an opportunity to be recognised at the forefront of contributing to ways to ensure STAFNC is sustainable and competitive on and off the field/court. This initiative is registered with **Australian Sports Foundation** and is **tax deductible**.

Because great clubs are built from grassroots... and backed by legends.
