A special shout-out to John Long, Grace Waterson, Sharon Madden and Virginia Wilson for their incredible efforts in organising our Past Players Day and the 25 Years of Netball celebration. READ THE PLAY

READ THE PLAY - AMAZING RACE

Sporting clubs have a powerful influence in shaping the lives of young players—not just in their athletic development, but in their overall wellbeing. As a club, we continue to partner with Read the Play, a local organisation that helps create environments where mental health is supported and valued alongside physical performance.

This year, we nominated two Youth Ambassadors, Shaya and Darcy, recognising their leadership skills to be our “Game Changers”. In the lead up to Read the Play Round this weekend, Shaya and Darcy will be facilitating an Amazing Race on Thursday the 31st July at 4.30–5.30 pm – a free, youth-led mental wellbeing activity designed to strengthen connection across teams.

Details: Thursday 31st 4.30–5.30 pm

Audience: U13's and U15's netballers, U16's girls footy, and U14's boys footy.

READ THE PLAY Night & Breakfast

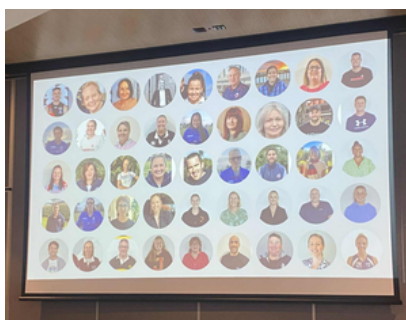

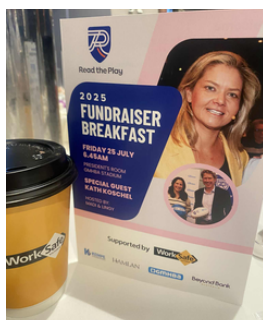

As a sporting club, we recognise the powerful influence we have in shaping the lives of our young players – which is why we continue to partner with Read the Play who helps create environments where mental health is supported and valued alongside physical performance. We would like to thank our U15 netballers and U16 girls and boys footy for their attendance to the session.

On Friday, 25th July, several of our members had the privilege of attending the Read the Play Breakfast—an inspiring event that brought together many in support of youth mental health.

During the breakfast, our two Youth Ambassador “Game Changers,” Shaya Walter and Darcy Storrar, were interviewed about their recent work with Read the Play. Together, they co-developed The Amazing Race, an exciting initiative now being promoted across AFLB clubs.

Shaya shared, “This initiative is about educating people on how to get help—and how to support those who are struggling. The overall goal is to build stronger connections within the club and bring football and netball players together across all age groups.”

Darcy added, “Having a family aspect to the club is so important. It means that in tough times, families have the club to lean on when they need it most.” We couldn't be prouder of Shaya and Darcy and were thrilled to celebrate their achievements alongside them.

TAC ROAD SAFETY ROUND | BE THE DIFFERENCE

EVERYBODY HURTS WHEN YOU SPEED: A NIGHT OF ROAD SAFETY AWARENESS

On Thursday the 24th of July, ahead of TAC Round, we welcomed guest speakers Norm and Leanne Robinson, parents to 19-year old Luke Robinson, who 15 years ago, lost his life to a high-speed motor vehicle accident in Geelong. We know that road safety is something that touches every single one of us - but we intentionally requested and want to thank the presence of our L and P plater drivers and parents across U17 & U19 Netballers, U16 & U18 Boys and U16 Girl Footballers, as well as our wider club members for their attendance.

Norm and Leanne recounted the harrowing experience that left them and their community without a son, brother, friend, and teammate. Whilst confronting, the presentation intended to bring further awareness to road safety and and was a powerful reminder of why we must take speeding, distraction and dangerous driving seriously.

Thank you Norm and Leanne for you courage to share your experience with our St Albans FNC community - Everybody Hurts When You Speed.

Let this be a call to action for us all — to drive safely, make smart choices, and protect the lives of those around us. Road safety is everyone's responsibility, and it starts with the conversations we have today.
