WEEKEND ROUND UPS!!!!

A massive weekend for the Saints as we hit the field and court for Indigenous Round, a time to honour the culture, strength and contributions of Aboriginal and Torres Strait Islander peoples.

Senior Mens Football

It was a tough weekend for our senior side, with a narrow loss in Round 6. We had chances to secure the win but couldn't quite convert when it counted. Injuries have also taken their toll, especially in the reserves, making it difficult to maintain consistency across both grades.

We're continuing to focus on shifting the group's mindset away from comparisons to last season. We want to avoid falling into a losing mentality and instead concentrate on the progress and growth we're building this year.

A highlight was our strong win over North Shore recently – a performance that showed what we're capable of when we stick to our structure and play as a team.

We've got a tough month ahead, but it's encouraging to see some key players returning across both grades, which will help boost morale and on-field performance.

Our Under 18s were back in form this week, bouncing back strongly with a 29-point win over the Surf Coast Suns. It was a well-rounded team effort with standout performances from Oscar Lyons, Will Corry, Sam McLeod, Kade Parish, Luke Wilcox, and Josh Hobbs. It's great to see the group settling into the right division and gaining confidence as the season progresses.

Let's stay focused and support each other as we push through this next block of the season. Plenty of positives to build on.

Senior Netball

It has been a challenging couple of weeks for our Senior Netball, coming up against an extremely strong outfit in Newtown & Chilwell, we always knew the day would be tough – but switching that mindset and setting achievable goals for our developing teams has been a hurdle we have not been able to get over the last couple of years when facing these opponents.

Our training last Thursday was incorporated with P2 Performance with Lachie which focused on circuit and footwork. The bye last weekend was timely, allowing players to switch off, travel back home, for those who live afar, and just have a break! We will reset this week ready to take on South Barwon and flow into June against some like for like opponents.

Congratulations!

Grace Waterson Plays 250th Game

After starting her netball journey as a junior player in Under 11s, Grace has been a loyal and passionate One Club Member of the Senior Netball at St Albans, playing at the highest level, A Grade.

Playing in the positions of GA/WA, Grace's netball smarts and accuracy has contributed to her longevity in the game as has her dedication and devotion to Our Club off the court as well.

Congratulations Grace on this momentous achievement!

BEST ON FOR STAFNC ROUND 6

Well done to Jim Botsaris, Georgia Stote, and Dakota Harrington. Keep making the black and white proud

Through collaboration with the AFL and Geelong Cats, we are excited to be able to offer to clubs a free optional Vilification and Discrimination Module for administrators, players, and members. We have been very strong in our internal directives that Indigenous Round has a significant cultural meaning to our region that we are respectfully recognising. This opportunity is something that is exclusive to the AFL Barwon region and we hope that the clubs see some great value in this.

JUNIOR DEPARTMENT

JUNIOR FOOTBALL

Our junior sides were back in action over the weekend, and it was fantastic to see the effort, enthusiasm, and sportsmanship.

U16 Girls pulled off a thrilling 3-point win over Ocean Grove. It was a gutsy performance from start to finish, with standout games from Laney, Chloe, Neve, Charli, Millah, and Olivia. Well done, girls!

U16 Boys fought hard in a close contest, going down by 8 points. A huge effort with strong performances from Archie Harper, Hamish Andrews, Cooper Robinson, Cooper Reed, Xav Falvey, and Riley Cummins.

U14 Boys went down to a solid South Barwon side. Despite the result, there were plenty of positives, with standout efforts from Xav Falvey, Finn Rentsch, Albie Potter, Che Salter, Jale Daveta, and Solomon Buini.

U12 Boys played under lights on Friday night in a thrilling match, narrowly going down by just 8 points to an in-form Ocean Grove. The boys showed fantastic grit and teamwork – well done to all involved!

U10s put in a dominant display, running away with a sensational win by over 100 points against the Northern Stars. A brilliant team effort with lots of smiles all round!

A massive thank you to all our parents and carers who help get the kids to games, support from the sidelines, and keep everything running smoothly behind the scenes. Your efforts don't go unnoticed. Play hard, play fair, and as always – Go Saints!

JUNIOR NETBALL

Last week our Under 13s never gave up! Their resilience, effort and determination could not be questioned as we were clearly vertically disadvantaged. Taliah, Amy and Mia continue to keep training the teams and improving their game each week. With the inclusion of some boys from Under 14s football, they show great Supersaint resolve, sportsmanship and spirit! Keep it up 13s – we are right behind you!

Under 11s Supersaints had a terrific break away win in round 2 against Queenscliff Coutas with Ruby McFarlane, Lucy Pleiter and Dakota Hall-Boehm peppering the shooting! The team is linking up and using each other through great passing across the court. These little Saint Stars love their netball!

With the league bye last week the Club held another "One Club Training" session with our Senior Netball and Football Leaders running fun activities for our juniors followed by Parmi's in the clubrooms. Thank you to everyone who was involved and participated, it was great to witness a sea of black and white coming to together!

MILESTONES

Congratulations!

This past weekend, we had the absolute pleasure of celebrating the engagement of our very own Bailey and Makayla! Surrounded by family, friends, and plenty of joy, it was a night to remember—filled with laughter, love, and beautiful memories.

On behalf of everyone here, we want to extend our heartfelt congratulations to the happy couple. We wish you both a lifetime of love, laughter, and endless happiness as you embark on this exciting new chapter together.

Cheers to Bailey and Makayla!

HEALTH & WELLBEING UPDATE

A huge thank you to everyone who came out to support our recent AFL Ahead of the Game session—especially our Under 14, 16, and 18 players, parents, and coaches. The night was not only a valuable opportunity to learn about mental health and the incredible work of Movember and AFL Barwon, but it was also a true celebration of what makes our club so special.

A special shout out must go to our Football and Netball Leadership Groups for taking the initiative to organise the all-club training session. Your leadership, commitment, and drive to bring everyone together set the tone for a powerful evening that captured the very essence of our One Club mantra. The numbers in attendance were nothing short of amazing—and a clear reflection of the culture you're helping to shape.

The laughter and smiles on everyone's faces said it all—what a great night!

We're proud to be part of a club that not only values strong performance on the field and court but also puts wellbeing and connection at the heart of everything we do.

Keep an eye out for the Tackle Your Feelings sessions coming soon—another fantastic program through AFL Barwon supporting mental wellness in community sport.

Well done to everyone involved—this is what One Club looks like in action!

PATRON SAINT

We're calling on our community – families, friends, supporters and past players – to be part of something truly special.

For the first time, we're launching the Patron Saint, a space on our fence that will proudly display the names of those who have generously contributed \$1,000 to help build the future of our club. Whether you donate as an individual, a family or a group, your name will become part of our history.

These funds will directly support our Junior Football and Netball Development Program. This is your chance to be one of the inaugural Patron Saints – the very first names to be recognised in this way. It's more than a donation; it's an investment in our future champions.

Every dollar counts. All contributions are welcome – and every Patron Saint will help us create a stronger, more united club from the ground up.

Join us. Inspire others. Become a Patron Saint in 2025.

*Because great clubs are built from grassroots...
