Senior Mens Football

WEEKEND ROUND UPS!!!!

It was a weekend of highs and lows for our Saints as the seniors faced a tough loss against Geelong West in a nail-biting contest. Despite the result, the boys fought hard and showed plenty of heart right until the final siren. Meanwhile, our reserves are showing promising signs but need to put together four consistent quarters of footy to turn their efforts into a win.

On a brighter note, the seniors had a memorable victory over Grovedale, ending a ten year losing drought. The win was made even more special as we celebrated Bailey Coutts' 100th game — a fantastic milestone for a much loved and dedicated clubman. Well done, Bailey!

Tom Higgins has made his forward presence felt! Our first year debutant from WA awarded the Krock Football Steamatic Stand Out player for April. You can listen to Tom's interview with Beyond the Boundary on <https://tinyurl.com/56cs9zka>

Looking ahead, we face a massive challenge against St Joseph's this weekend. The boys are fired up and ready to give it everything. Go Saints... Back in the Black!

Senior Netball

A Grade had a solid performance at Grovedale last weekend after a really challenging game the week before at Geelong West. With the games played indoors, the game was fast paced and highly contested at both ends of the court. Isabel Henriksen made her first appearance for A Grade for the season in defence, the combination of her and Georgia Stoate the pressure applied forced Grovedale deep into their attack end. Whilst we didn't get the win there were a lot of positives and improvements gained.

Our B Grade enjoyed their first win of the season with an 8-goal victory. Our attacking end proved too good with Amy Cook, Alyssa Bubb, Brooke Cornes and Mia Henriksen all in the goal mix. Over the next couple of weeks we have some significant game milestones to celebrate across the Netball and we encourage everyone to come down next week (round 5) to support C D & E Grade against North Shore followed by Ladies Day!

WEEKEND ROUND UPS!!!!

Under 18 Football

Our Under 18 Osborne team have had a few good weeks with some great results.

ANZAC weekend we had a comfortable 22 point win against Geelong West, with Brady Thompson awarded the ANZAC medal. Bailey Schweinzer and Josh Hobbs hitting the scoreboard with 4 goals each! This game was featured in the Geelong Advertiser - for full report and images (30+ pics: Supersaints v Giants under-18s grading footy) geelongadvertiser.com.au

Last weekend at home we had another win but this time boys put their foot down and took away the game. by 152 points. Bailey Schweinzer again dobbing a bag of goals (5) with a complete team effort - Best Players: Liam Fitzgerald, Josh Hobbs, Brady Thompson, Kade Parish and Aiden Hatton.

This week we take on St Joey/Bell Park as the curtain raiser so make sure you are at the club by 10am to see the game, and cheer on Harper Dunn who will play junior game 100. Good Luck this weekend Boys!!

Female Football

Round 3 saw us take on Drysdale at their home ground. A big milestone for our team with three debutantes pulling on the boots for their very first game of football! Each of them got their hands on the ball and embraced the spirit of the game. While we didn't come away with the win, it was a proud moment to watch our new players take the field and give it their all.

Round 4 brought us back home to face Thomson. In a great show of community spirit, we had the privilege of three of Thomson's top players donning the black and white to help boost our numbers. It was a hard-fought game, and we were thrilled to walk away with a well-earned 11-point win!

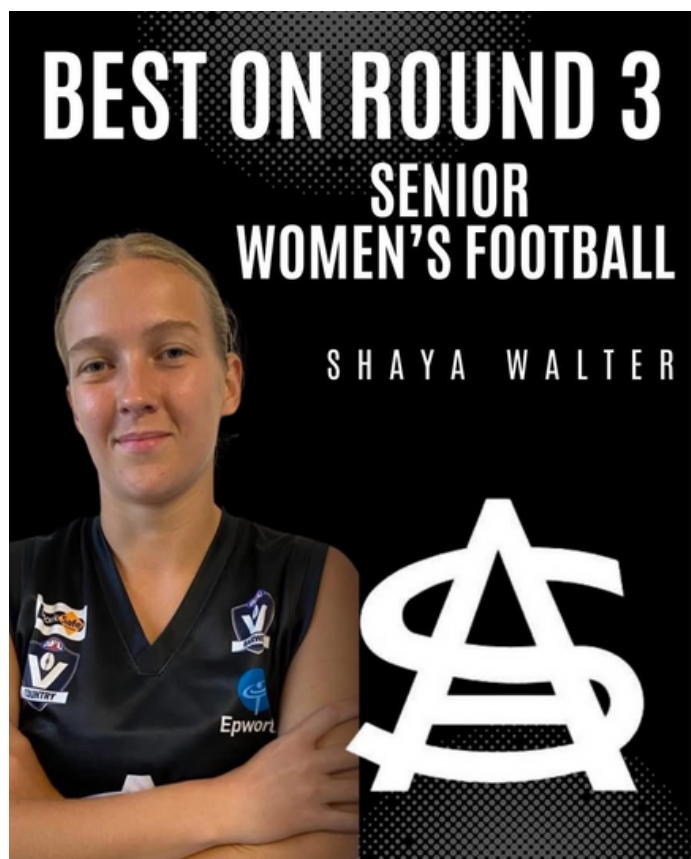

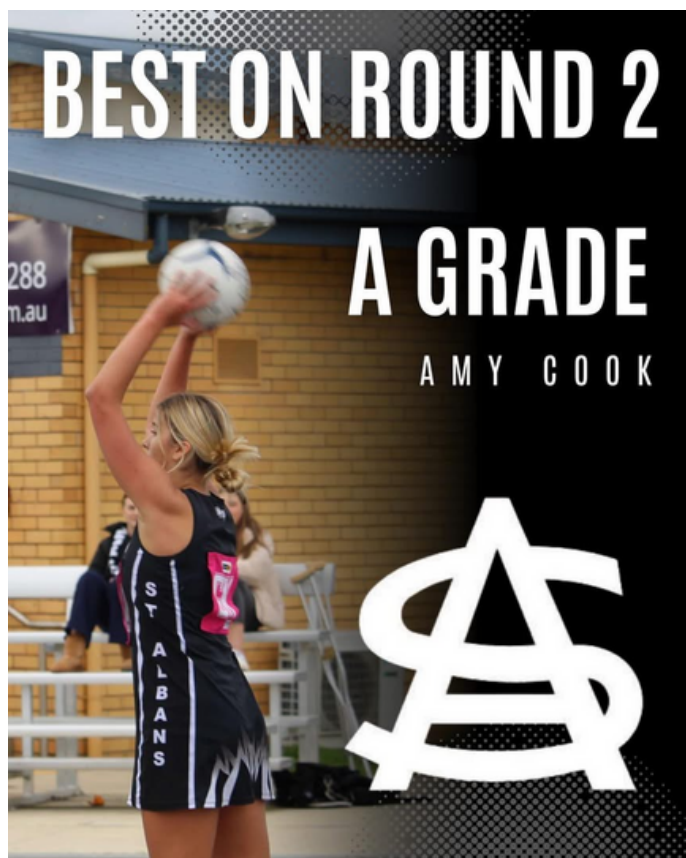

A huge thank you to all the amazing volunteers who stepped up and helped out across both games - your support means the world to us and keeps everything running smoothly.

Looking ahead, we're set to play our rescheduled Round 2 match against South Barwon this Friday night at 7pm at home. This game was originally postponed over the Easter weekend, and we're excited to finally get out there and give it a crack under lights. Come down and cheer us on!

PATRON SAINT

We're calling on our community – families, friends, supporters and past players – to be part of something truly special.

For the first time, we're launching the Patron Saint, a space on our fence that will proudly display the names of those who have generously contributed \$1,000 to help build the future of our club. Whether you donate as an individual, a family or a group, your name will become part of our history. These funds will directly support our Junior Football and Netball Development Program.

This is your chance to be one of the inaugural Patron Saints – the very first names to be recognised in this way. It's more than a donation; it's an investment in our future champions. Every dollar counts. All contributions are welcome – and every Patron Saint will help us create a stronger, more united club from the ground up. Join us. Inspire others. Become a Patron Saint in 2025.

Because great clubs are built from grassroots... and backed by legends.

WHAT A NIGHT!!!

A Night to Remember at St Albans FNC –
 Richard Marles & Libby Coker
 Australian Labour Party Election Evening Function.

We were thrilled to host such a significant National event at our venue recently, hosting Deputy Prime Minister Richard Marles Member of Corio, Member for Corangamite Libby Coker, and State Member for Geelong, Christine Couzens. It was a fantastic night filled with energy, community spirit, and a true sense of occasion.

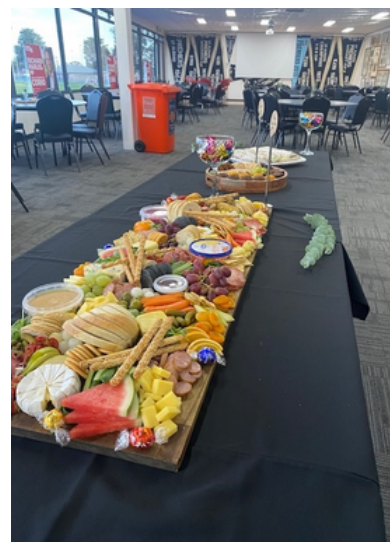

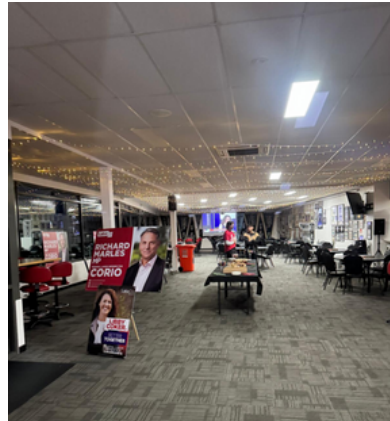

The feedback we received was overwhelming – guests complimenting the quality and variety of the catering. Our team made sure every volunteer and guest was looked after, with dietary requirements and requests. With live media coverage throughout the evening from all networks across Australia – our rooms were professionally presented from setup to service, everything came together perfectly to showcase what we can do as a venue with our space, technology and hospitality.

A special mention to Richard Marles, who was not only incredibly friendly but generous with his time, taking selfies and photos with some of our hardworking volunteers.

This night wouldn't have been possible without the incredible team behind it – a huge thank you to Lana, Nicole, Hayley Blair, Johnny Long, Leaia, Marty, Jodie, Sinko, Ross, Virginia, and Ossie for all their efforts in pulling it together and being there on the night. You were amazing.

Events like this show what our club is capable of – and we couldn't be prouder.

HEALTH & WELLBEING UPDATE

MOVEMBER AHEAD OF THE GAME

We are encouraging all male footballers from the age groups U14's, U16's and U18's to attend with the session focused on "Helping out a mate".

Our **second player session on the 13th of May** talking about "**The Challenge**", followed by a Parent, Coach and Volunteer session on the 27th May.

The poster is for the AFL Ahead of the Game program. It features the AFL logo at the top right and a mustache icon above the title 'AHEAD OF THE GAME' on the left. Below the title, it says 'GROWN BY MOVEMBER'. The poster lists partners: Toyota and Coles. It describes the program as a literacy and resilience program for umpires, young players (12-18 years), and their support networks. It mentions workshops for players ('Help Out A Mate'), parents ('No.1 Supporter'), and coaches ('Got Your Back'). It also mentions 'The Challenge' app. The text is in various colors (white, blue, green) on a dark background.

AFL

AHEAD OF THE GAME
GROWN BY MOVEMBER

In partnership with
TOYOTA coles

Movember Ahead of the Game is a literacy and resilience program which aims to educate umpires, young players (aged 12-18 years) and their support networks (parents, coaches, and club volunteers) on the importance of mental health.

Giving them tools to deal with life's challenges, and the confidence to support their mates through tough times, whilst also empowering them to look after their own mental wellbeing.

Ahead of the Game consists of 4 x 50-60 minute workshops:

HELP OUT A MATE
FOR PLAYERS

Mental health literacy workshop that young athletes complete first. The session focuses on building knowledge of what mental health is and the skills and knowledge around how to help themselves and others when faced with mental health challenges.

THE CHALLENGE
FOR PLAYERS

'The Challenge' app. The mental health resilience workshop and modules focus on teaching young athletes about ways to identify and develop skills for managing the challenges that sport and life can present.

NO.1 SUPPORTER
FOR PARENTS

Mental health literacy workshop for parents. The session focuses on building parents' knowledge of what mental health is and the skills and knowledge around how to help their children and others when faced with mental health challenges. It also helps breakdown what is normal teenage behavior and what is not.

GOT YOUR BACK
FOR COACHES

Mental health literacy workshop for coaches and club volunteers. The session focuses on building knowledge of what mental health is and the skills and knowledge around how to help young players and others when faced with mental health challenges.
