WHAT A WEEKEND THAT WAS!!!

Round 1 kicked off in excellent fashion as both our Seniors and Reserves teams secured strong wins against Lara, making it a successful start to the season. It was fantastic to see the hard work from the pre-season translate into two great performances on the field.

The Seniors celebrated an exciting win, highlighted by the introduction of seven debutants who made an immediate impact. Alongside them, we also welcomed back a couple of returning players, adding experience and energy to the side. The blend of fresh talent and seasoned returnees brought a strong dynamic that helped set the tone for the season ahead.

The Reserves also had a solid showing, notching up a convincing victory of their own. It was great to see a host of debutants in the lineup, many of whom showed promising signs for the year ahead. The team gelled well, and their effort and intent were clear from the first bounce.

On the netball front the B Grade team just fell short by 1 goal, but there were plenty of positives to take away from the game with the injection of youth and new players to the club. Our Under 19s had a solid performance running away with a great win which was a feature story in the Geelong Indy during the week. The article can be found at <https://geelongindy.com.au/sport/15-04-2025/supersaints-grab-round-one-victory/>

Overall, it was a fantastic way to open the season with three quality wins and plenty of positives to take forward. We're excited about what's to come in the weeks ahead.

MILESTONES

GEORGINA COUTTS

This weekend we have a huge Milestone, Georgina Coutts playing her 50th Senior Women's Football game. This is huge for Georgina and our Club as Georgina is the first Senior Female Player to reach this milestone!

Georgina started her career at the tender age of 13 in 2015. Due to Covid, Georgina did not make her Senior debut until 2021. Georgina has been a leader of the St Albans FNC Women's team and has been part of the Leadership group as either Captain or Vice Captain. She is the current Women's STAFNC 2025 Captain.

Congratulations and Good Luck Sunday!

CONGRATULATIONS!!!

PATRON SAINT

We're calling on our community - families, friends, supporters and past players - to be part of something truly special.

For the first time, we're launching the Patron Saint, a space on our fence that will proudly display the names of those who have generously contributed \$1,000 to help build the future of our club. Whether you donate as an individual, a family or a group, your name will become part of our history. These funds will directly support our Junior Football and Netball Development Program.

This is your chance to be one of the inaugural Patron Saints - the very first names to be recognised in this way. It's more than a donation; it's an investment in our future champions. Every dollar counts. All contributions are welcome - and every Patron Saint will help us create a stronger, more united club from the ground up. Join us. Inspire others. Become a Patron Saint in 2025.

Because great clubs are built from grassroots... and backed by legends.

JUNIOR DEPARTMENT

Congratulations to our Junior longest kick **Winners Logan & Archie!** Be sure to keep your eyes peeled juniors for the next Longest Kick!

● GREEN = UNDER 18 ●

Please be reminded of the statewide 'If they're wearing green, they're under 18' umpiring initiative!

Our underage umpires will be out in force this weekend, and while NO umpire deserves to be abused or disrespected - there is absolutely no place in our competitions for disrespect of our underage umpires.

Don't be a by-stander if this occurs - please stand up and support our umpires, and advise AFL Barwon of any instances whereby this occurs.

HEALTH & WELLBEING UPDATE

MOVEMBER AHEAD OF THE GAME

First Player session on the 29th of April 6-7pm.

We are encouraging all male footballers from the age groups U14's, U16's and U18's to attend with the session focused on "Helping out a mate".

Burgers are going to be provided thanks to Lana and a kitchen team.

A Registration link is available in team chats for the purpose of parental consent.

Following our first session, we then have the **second player session on the 13th of May** talking about "**The Challenge**", followed by a Parent, Coach and Volunteer session on the 27th May.

AHEAD OF THE GAME
GROWN BY MOVEMBER

In partnership with
TOYOTA coles

Movember Ahead of the Game is a literacy and resilience program which aims to educate umpires, young players (aged 12-18 years) and their support networks (parents, coaches, and club volunteers) on the importance of mental health.

Giving them tools to deal with life's challenges, and the confidence to support their mates through tough times, whilst also empowering them to look after their own mental wellbeing.

Ahead of the Game consists of 4 x 50-60 minute workshops:

HELP OUT A MATE
FOR PLAYERS

Mental health literacy workshop that young athletes complete first. The session focuses on building knowledge of what mental health is and the skills and knowledge around how to help themselves and others when faced with mental health challenges.

THE CHALLENGE
FOR PLAYERS

"The Challenge" app, the mental health resilience workshop and modules focus on teaching young athletes about ways to identify and develop skills for managing the challenges that sport and life can present.

NO.1 SUPPORTER
FOR PARENTS

Mental health literacy workshop for parents. The session focuses on building parents' knowledge of what mental health is and the skills and knowledge around how to help their children and others when faced with mental health challenges. It also helps breakdown what is normal teenage behavior and what is not.

GOT YOUR BACK
FOR COACHES

Mental health literacy workshop for coaches and club volunteers. The session focuses on building knowledge of what mental health is and the skills and knowledge around how to help young players and others when faced with mental health challenges.
