CATS VISIT @ ST ALBANS

Tyson Stengle, Ollie Dempsey and Jack Bowes came to training on Tuesday, 29th July and spent time with all junior football teams. We were lucky enough to have the Bunnings Tong Master come down and put some snags on the BBQ for us. It was a great night for all the kids and coaches to meet 3 great players from the Geelong Football Club. Thanks, Geelong Football Club

Megsy's Memory

PLAYINPURPLE

Megsy's Memory – Play in Purple

On the weekend 16th August, we come together as a club, a family, and a community to honour the memory of our much-loved Megan 'Megsy' Dunn – former player, proud mum of junior stars Harper and Maddalyn, and a beautiful soul taken too soon.

Megan passed away in March this year after a short but brave battle with pancreatic cancer. Diagnosed in February and gone just weeks later, she was 49. Her strength, kindness, and dedication to her family and our club left a mark on everyone she met.

Play in Purple – Megsy's Memory is more than just a day of footy and netball – it's a tribute. It's a way for those who loved her to come together, carry on her legacy, and raise awareness and funds for early detection of pancreatic cancer through Pankind.

We stand firmly behind Brad, Harper, and Maddy today and always. As a club, we're here – shoulder to shoulder – to honour Megan's life and to help others facing this devastating disease.

♥ How you can help today:

- Raffle tickets available at Bar 2 for \$5 each or 3 for \$10
- Silent auctions are happening inside the clubrooms
- Merchandise for sale – beanies, wristbands, ribbons & brooches

Every cent raised will go to Pankind, supporting vital research into early detection and treatment, in loving memory of Megsy.

Rest easy, Megsy. You are forever in our hearts. ♥

GRACE WATERSON

Grace is the heart and soul of our club always first to help, never one to seek praise. From umpiring and coaching to her recent roles as Health & Wellbeing Leader and Child Safeguarding Officer, she does it all. Her passion, kindness, and quiet leadership make her truly irreplaceable.

Every week at St Albans Football & Netball Club, our volunteers show up—rain, hail or shine. From early mornings to late nights, their dedication keeps our club running strong. Whether it's working the gate on a Saturday, preparing Thursday night dinners, running the canteen on game days, or keeping our community connected through social media, every role matters.

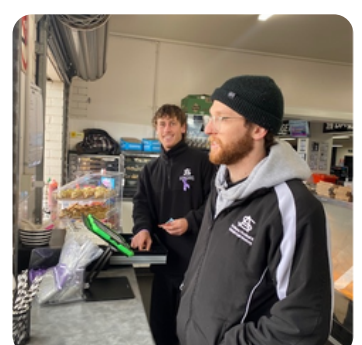

A special congratulations to **Emma Sinkinson & Grace Waterson**, our **Volunteers of the Month (July & August)**, for their hard work Emma in the social media space and Grace with all her work in Health & Wellbeing, & the Netball Space. Well done to you both.

It's also heartwarming to see mums and dads volunteering side-by-side with their kids—it's what makes our club not just a club, but a true community.

To every person who has donated their time this season: thank you. Your efforts are valued, seen, and deeply appreciated.

Don't forget we will be looking for Volunteers for the Finals Series as we are running the Canteen! Keep an eye out to Volunteer!

On Friday, 25th July, several of our members had the privilege of attending the Read the Play Breakfast—an inspiring event that brought together many in support of youth mental health. At St Albans, we're proud to have Grace Waterson serving as our dedicated Player Wellbeing Officer. During the breakfast, two of our very own "Game Changers," Shaya Walter and Darcy Storrar, were interviewed about their recent work with Read the Play. Together, they co-developed The Amazing Race, an exciting initiative now being promoted across AFL clubs. Shaya shared, "This initiative is about educating people on how to get help—and how to support those who are struggling. The overall goal is to build stronger connections within the club and bring football and netball players together across all age groups." Darcy added, "Having a family aspect to the club is so important. It means that in tough times, families have the club to lean on when they need it most." We couldn't be prouder of Shaya and Darcy and were thrilled to celebrate their achievements today.

What a great day the Amazing Race was for some of our junior Netballers and footballers. All the hard work from Shaya and Darcy paid off as the kids had a great day. Thanks to Read The Play for coming on board with this adventure.

HEALTH & WELLBEING UPDATE

As part of the Health and Wellbeing team and the Child Safeguarding Officer roles, Grace Waterson was invited to the Geelong Cats for our tour and discussion on Player Wellbeing and Development, along with Nick Chudoschnik and Shaya Walter. Grace was also lucky enough to be asked to be part of the panel for Q&A.

Grace wanted to let us all know that our club is leading the charge in the Health & Wellbeing area, and we are super proud of the efforts from Grace, Jade, Nick, Ebony, Lana, who are all part of the team on the ground doing the hard work.

So proud of what we do at our club! 💙💚

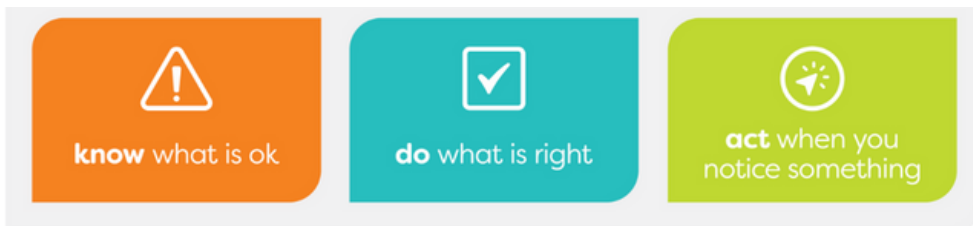

CHILD SAFEGUARDING

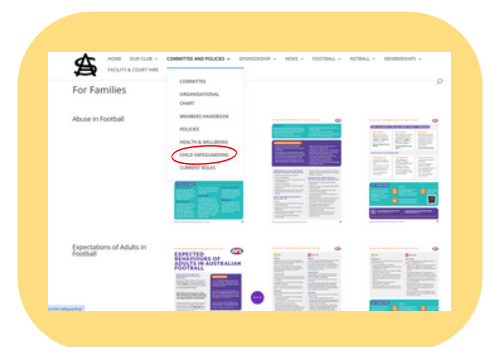

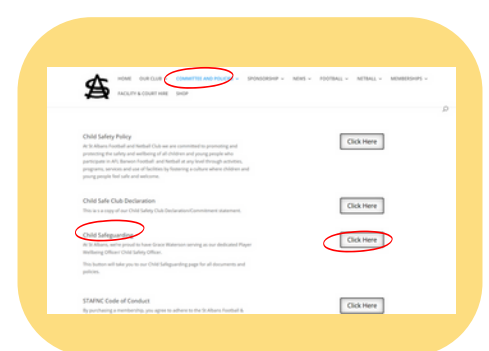

Club Resources, Policies and Website - A message from our CSO

I would like to remind our players, parents, spectators and wider club members that we have a number of club resources and policies, available on our website that promotes and discusses Child Safeguarding, community guidelines and expected behaviours.

In line with protecting children and young people within our club, and with recent incidents across local competitions, I would like to reiterate the importance of reading the available resources and ensuring that you continue to represent our club in the expected ways.

JUNIOR UPDATE

Our Auskickers took to the field with our Senior Men's team on Saturday, 2nd of August. It was great to see them all out there with one of their coaches, Brock. You can tell by the smiles on their little faces that they had the best day.

They followed their big game with a hotdog and a can of drink for all their efforts. These kids are the building block of a great club!

PATRON SAINT

We all need to ensure the STAFNC is strong and successful in every way. Taking the advantage of the end of financial year (EOFY June30) by reducing your taxable income, is a generous way to break down the financial barriers of your Club to ensure everyone and every team reaches their full potential. This season we launched the **Patron Saint** - an opportunity to be recognised at the forefront of contributing to ways to ensure STAFNC is sustainable and competitive on and off the field/court. This initiative is registered with **Australian Sports Foundation** and is **tax deductible**.

Because great clubs are built from grassroots... and backed by legends.
