THANK YOU ALEX TORTORA

The St Albans Football & Netball Club would like to inform our sponsors, members, and supporters, that after considerable thought, Alex Tortora has decided to step down from the role as Senior Men's Football Coach at the conclusion of the 2024 GFNL season.

During Alex's three-year tenure at St Albans, he has shown genuine care, interest and passion for our player development on and off the field.

We would like to acknowledge Alex's dedication, and the stability he has brought to our Club in recent times. We will now use this to build on the growth and success that the St Albans Football & Netball Club is ready for.

Thank you to Alex for leading our club with such pride and belief. You and your family are forever part of the St Albans Football & Netball Club community.

ST ALBANS SUPER SPORT DAY

Peter Kelly Cup / St Albans Super Sports Day, Round 11

St Albans FNC hosted Lara SC in what was truly a "community football and netball spirited day" to celebrate the inaugural Peter Kelly Cup.

Peter's contributions to St Albans and Lara goes beyond 50 years, with the cup recognising his roles as former League President, Football Geelong Chairman and AFL Barwon Commissioner influencer on both clubs as a player and administrator.

At St Albans, Peter Kelly is a two-time premiership player and long-serving committee member before joining Lara in 1976 where he played and coached reserves football. As a Lara administrator, Peter contributed to Lara's move from the GDFNL to the GFNL in 1989. Our co-president Craig Osborne and Lara's president Chris Spence introduced Peter to our guests and they reminisced about the good times at St Albans and Lara. The afternoon continued with our high-profile guests; David Schwarz (Melbourne FC legend), Isaac Smith (Hawthorn, Geelong Premiership Player, Norm Smith Medallist) and Joanna Weston (Melbourne Vixens Netball, Australian Diamonds, Commonwealth Games Gold medallist), sharing their interesting and amusing football/netball stories and journeys to success.

St Albans Football & Netball Club would like to thank everyone who attended this momentous occasion.

Special thanks to:

Peter Kelly "... I am very humbled and honoured... I am very proud to be involved in both clubs..."

RESPECT STARTS HERE

St Albans Football and Netball Club is committed to embodying the 'one club' motto through promoting the values of being a safe, inclusive and respectful sporting club.

We want every person connected to or visiting our club to have equal opportunity, access to resources and to feel welcomed. We want to have a united and strong club culture where everyone feels safe and respected.

A working group has been established this year to identify our club's commitment, visions and aspirations. This work will carry out across next year - so if you are interested in being a part of this movement, then please get in touch with Respect Starts Here Leader Grace Iacono 0438 220 883

Respect Starts Here

Our goal is to have a strong and united club culture where everyone feels safe, welcome and respected.

We recognised that adults and young people's attitudes and behaviours are shaped by the messages they receive at work, school, in sporting clubs, at home and online platforms.

Our club is committed to setting and reinforcing positive community standards about respect and equality.

By taking part in Respect Starts Here our club will identify actions we can take to continue creating a positive club culture for all.

Respect Starts Here

Every person connected to or visiting our club deserves to have equal opportunity, access to resources, and to feel welcomed.

In some sporting environments, facility and resource allocation is unequal between men and women.

Our club is committed to upholding fair access and valuing the commitment and passion of each team regardless of age or gender.

Club Commitment

St Albans Football and Netball Club is committed to embodying the 'one club' motto through promoting the values of being a safe inclusive and respectful sporting club.

We recognise that sporting clubs have often celebrated male achievement. This has created barriers for our one club vision.

Our club is taking part in **Respect Starts Here: Getting Started** to help us better understand the attitudes and behaviours that lead to inequality and disrespect. We will commit to actions our club, members and spectators can undertake that are reflective of our core values.

READ THE PLAY

Every year our under 16s football and under 15s netball teams come together for the Read the Play "Huddle Up" Session - a program that aims to increase knowledge on mental health, promote help seeking behaviour and influence beliefs and attitudes related to identifying and responding to their peers who may be at risk of mental ill-health or cyber bullying.

The players enjoyed interacting with each other through games and competitions and afterwards some further team bonding by making their own pizzas for dinner!

St Albans FNC thanks Wendy and Sarah from Read the Play readtheplay.org.au

Thank you to Jodie Thomas (junior coordinator) for organising the session with RTP & Suzi Miller for making the pizza bases!
