WHAT A WIN AGAINST NEWTOWN

Everyone played their part and celebrated in our breakthrough win over Newtown & Chilwell last weekend, the 189 point turn around from our round 3 meeting against the Eagles was achieved by our Supersaints kicking the first six goals of the game. St Albans withstood the pressure in the final quarter hanging on for a momentous 10 point victory, with Zac Larkins snapping a brilliant game saving goal on the run in the last quarter.

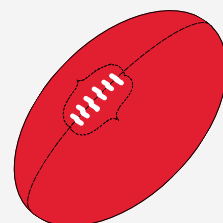

Some highlights from the game were a courageous mark from Joe Osborne in defence in the high-pressured last quarter, and forward Hayden Elliot's specky resulting in one of the goals which provided the six goal jump in the first half. Both Joe and Hayden join our Hamlan Hanger Harrison Cockerill as contenders for the AFL Barwon Mark of the Year!

NETBALL NEWS

13 & Under players are showing the most resilience and encourage each other to play the best they can as they all improve each week.

Well done to you all we think you are amazing.

17 & Under continue to be strong, with another solid victory by 17 Div 2 and thrilling draw by Div 1.

Watch out for both these teams leading into the finals series.

19 & Under had a 7 game winning streak that was interrupted by Bell Park, only going down by 2 points in a nail biting game.

There is still lots to come from this team sitting 4th on the ladder as we approach the finals series.

E Grade have had a successful last 3 weeks winning convincingly and only going down by 1 point against Bell Park (Top of the Ladder).

Well done E grade your improvement this year has been phenomenal.

Thank you to the Geelong City CFA for coming by in the big red truck last Friday. The kids had an absolute ball.

A massive thank you to our super coaches, Brock McDonald and Ebony Storrar who haven't missed a session to coach our little Supersaints.
