THAT'S A WRAP FOR SEASON 2024

With only two games left for the season both away, we had our last home game last weekend. A massive Thank You to all our Home Game Volunteers who go above and beyond with everything you all do, we wouldn't be a club without you all.

Thursday 29th August will be our final night of dinners at the club for Season 2024. We would like to thank our kitchen crew for all their hard work on the night and behind the scenes. We will miss our Thursday Night Dinners in the off season.

The Geelong District Football & Netball League start their final series here at St Albans Reserve this weekend. We require volunteers throughout the final series to work behind the bar etc, if you would be willing to help out please let Chief Sinko know. St Albans members have entry into the GDFNL finals with their membership card at the gate. The club bar will be opened in the social rooms for members only.

Saturday 31st August is our last game for the season (at Lara), let's make sure we all get down to support everyone playing that day. That night we will all head back to St Albans from 6pm for our Senior Vote Count. (BYO Platters and Drinks at Bar Prices)

RESPECT STARTS HERE

Over the last 3.5 months, St Albans Football and Netball Club have engaged in the Active Bystander Program, ran by Sexual Assault and Family Violence Centre (SAFVC).

As a collective group, we were tasked to think about the gender inequalities that are often present within sporting organisations. With this knowledge, we then were tasked with creating specific "Quick Wins" that our club could implement, in an attempt to reduce gender inequality.

We are now moving to the stage where we are looking for a group of like-minded individuals (can be both a playing and non-playing member) to join our inaugural Wellbeing and Inclusion Group to get started on actioning these 'quick wins'.

If Wellbeing, Inclusion and Mental Health is an interest of yours, please don't hesitate to reach out to Grace Iacono on 0438 220 883 to join the group and help STAFNC move forward in the right direction.

Club Commitment

St Albans Football and Netball Club is committed to embodying the "one club" moto through promoting the values of being a safe inclusive and respectful sporting club.

We recognise that sporting clubs have often celebrated male achievement. This has created barriers for our one club vision.

Our club is taking part in **Respect Starts Here: Getting Started** to help us better understand the attitudes and behaviours that lead to inequality and disrespect. We will commit to actions our club, members and spectators can undertake that are reflective of our core values.

On behalf of the club we want to say thank you to all that attended the Respect Starts Here Meetings, especially

Lana Anderson, Grace Iacono, Jade Morris and Ebony Storrar.

Thank you for representing our club and showing up each week and participating.
