WELCOME TO THE SUPERSAINTS

SENIOR COACH.. RICK MUNN

The St Albans Football and Netball Club are delighted to announce the appointment of Rick Munn as the Senior Men's Football Coach for the next three years.

Rick's ability to understand the football landscape of the GFNL, strategies and his capacity to create strong relationships with the playing group; made an impression throughout the interview process. Rick is ready for a challenge and is aware that St Albans FNC have a strong vision of returning our great club to finals within the next three years.

Rick has extensive experience over the last 15 years at local level across multiple leagues. He has been the senior assistant defensive coach at Leopold FNC this season under Garry Hocking (premiership coach 2023). Prior to this, he was an assistant coach at the Grovedale FNC under Daniel Fraser. Complimenting Rick's GFNL experience, he has been involved at various leagues across Australia including Cairns Saints, Werribee VFL, as both a board member and development coach, including being part of Werribee's 2008 Premiership, as Senior Assistant Coach.

Rick was also part of a broader team that assisted and established the newly formed Point Cook Football Club in the WRFL and VAFA. Undoubtedly, Rick has demonstrated he is up for a challenge, including his willingness to develop younger players. Rick is currently coaching the Leopold Under 14s side in addition to his Senior Coaching duties, with his U14's progressing to the 2024 Grand Final.

The St Albans senior coaching role brought great interest and several quality applicants. We would like to thank all those who applied. Our criteria in understanding the GFNL environment, attracting talent, retaining our existing players, and bringing new support staff with our ambitions to be finals contenders again, factored into our decision to appoint Rick into the role.

The Supersaints Faithful would like to extend a warm welcome to Rick Munn, his wife Danielle and their children – Brody, Sienna and Caleb.

Luke Davidson

We have appointed our Assistant Senior Coach for the next 2 years, Luke Davidson.

Through meeting with Luke, we quickly identified that his skill set would be highly beneficial for the group. Luke has a fantastic ability to understand the way the game is played and has had great senior coaching experience that will be highly valuable for our young list.

Luke has had great playing experience within our local region, playing senior football at both St Joseph's FNC and Modewarre FNC for almost a decade. After this, Luke decided to make the move to Clunes FNC in the Central Highlands Football Netball League in 2018 playing 2 further years as a player. In 2019, after retiring, Luke decided to take up an assistant coaching role and after a couple of COVID years was eventually appointed as Senior Coach in 2021, in which he continued up until the end of this year.

Luke has also shown a capability to enhance his coaching through professional development at the Greater Western Victoria Rebels in the Coates League. Through this he will be able to implement some ideas from that Elite Talent Pathway to our club.

The Supersaints faithful would like to also extend a warm welcome to Luke's wife, Jacquie and son Albie.

Matt Kasparian

We're excited to announce the signing of Matt Kasparian, a 29-year-old ruckman with an impressive footy journey. Matt has taken home 2 senior Best & Fairest awards at Clunes and has also shown his skills at Modewarre FNC, South Australia, and Glenelg, where he famously played alongside AFL star Lachie Neale. His experience and leadership will be a massive boost to the Supersaints next season!

We can't wait to see Matt in action on the field!

We would also like to extend a warm welcome to Matt's wife Kat.

Welcome to the St Albans Football & Netball Club

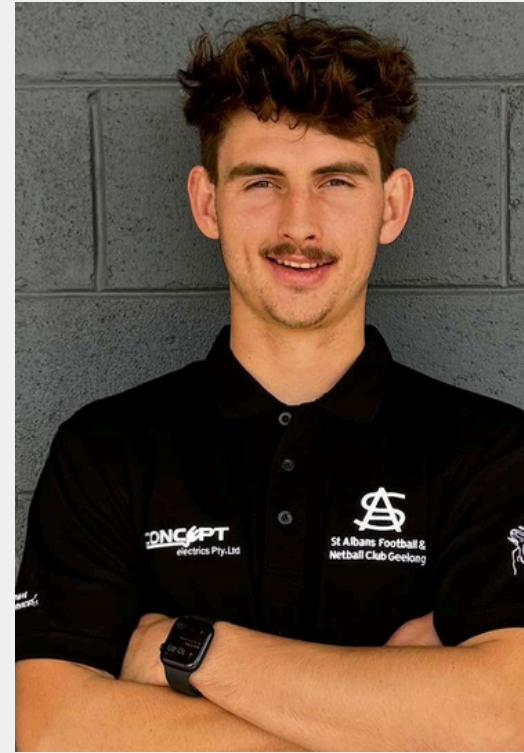

Jed Warrin

We're thrilled to welcome Jed Warrin to St Albans Football Club! At just 20 years old, Jed comes to us as a talented midfielder with already great senior experience.

Jed joins us from Apollo Bay where he has played his football this year. His career resume' includes senior football stints with St Joseph's in 2023 and the Shepparton Bears in the GV. He's also represented the GV in Interleague. Jed also played with the Murray Bushrangers for the entirety of his junior football.

In addition to his playing role, Jed will be taking on the position of our academy coach, bringing his passion and expertise to help develop the next generation of talent at St Albans.

Welcome to the St Albans family Jed.

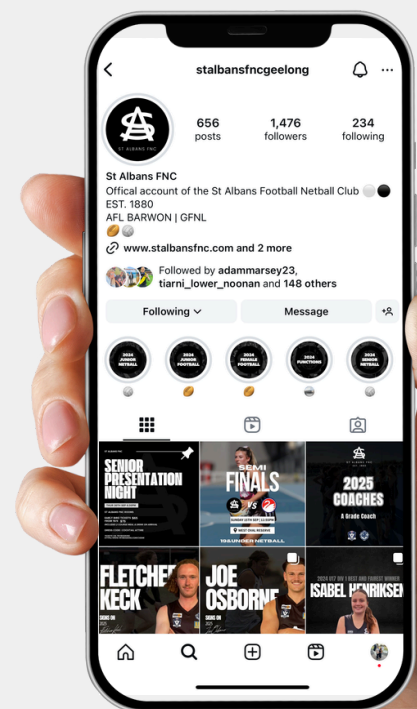

Max Askew

We Welcome Max Askew to the Supersaints.
